Virtual Parent Program

Talk. Listen. Connect.

Do you have a child age 13 to 24?

Do you want to have effective conversations about health, sex, and relationships?

Key Conversations **improves parent-child communication** about relationships and sex, **increases parental monitoring** of their children, and **helps ensure adolescents get teen-friendly healthcare.**

Healthy Futures of Texas is providing provide **three FREE virtual educational sessions** to parents and caregivers to explore these important topics.

Participants will be asked to complete surveys about their experience in the program and their intent to use what they learn with their children.

Join us on Zoom!

3/15, 3/22, & 3/29

Time: 6pm to 8pm CT
